

NEW ARTIST APPLICATION INFO

Thank you for your interest in Whimsical Women. We are a group of women dedicated to fostering an accepting community for women to create and sell their artwork.

Currently, we have one show a year. Our show for 2022 will be **November 19**. You must be an accepted Whimsical Women artist to register for the show.

In order to join Whimsical Women, you need to complete the **artist application** and **pay the non-refundable \$10 application fee**. To maintain a wonderful group of artists, we ask that you read the following guidelines and do the following:

All original artwork **must** be created by the applying artist. This means that an artist will have personally made everything she is selling at her booth during a show. Please no kits, reproductions, or copies of artwork. Please **fill out and submit the online application**, which can be found at: **whimsicalwomen.org/join-us**

Within the online application, please upload **at least 4 images** of your artwork. Please include a **picture of your booth** if you have participated in other shows.

Once your application has been received, WW will email you a PayPal invoice for the one-time, non-refundable \$10 application fee. Phone interviews may be necessary if we have questions regarding your artwork.

New artist applications will be accepted during the month of March each year. We reserve the right to limit the number of new artists each year should we have a large number of applicants.

We will notify you with our decision by **May 1, 2022**.

Please direct all questions to **whimsicalwomen@gmail.com**.
